Mission Statement

We exist to protect and improve the podiatric health and welfare of the public.

Purpose Statement

The specific and primary purpose of the American Board of Multiple Specialties in Podiatry is: (i) to develop and implement national and international standards for certification; (ii) to grant recognition to individuals who meet the standards; (iii) to monitor the adherence to the standards by podiatrists certified by the corporation; and (iv) to maintain a registry of podiatrists certified by the corporation.

Statement of Impartiality

The ABMSP understands the importance of maintaining impartiality in all of its decision making and certification activities. The ABMSP Board of Directors is responsible for ensuring that the organization carries out its activities in an impartial manner, managing real or perceived conflicts of interest, and ensuring objectivity in its decision making process.

The Role of Certification

Certification is a voluntary process in which individuals are recognized for advanced knowledge, competence, and skill. Certification requires assessment, testing, and/or evaluation of education and/or experience. Certification by the American Board of Multiple Specialties in Podiatry is sought voluntarily by podiatrists in order to attain a credential which attests to their training and experience as providers of services to persons who suffer from diseases and deformities of the foot.

Objectives of Certification

To establish competency in podiatric medicine specialties by:

1. Providing a standard of requisite knowledge for certification in specialty areas of podiatry.
2. Recognizing formally those individuals who meet the eligibility and knowledge requirements of ABMSP.
3. Encouraging professional growth in the profession of podiatry.
4. Establishing and measuring the level of knowledge required for certification in specialties within the field of podiatry.

Definition of Geriatric

There is no set age at which a patient may be treated for geriatric podiatry. Rather, this decision is determined by the individual patient's needs.

Eligibility Requirements

1. Hold a current DPM license (Submit a copy of the license with application)
2. Post graduate resume, showing podiatric work history from the time of graduation to the present
3. At least 10 years in podiatric practice or have a fellowship training
4. Attestation that at least 20% of practice is with geriatric patients
5. Three letters of professional recommendation, on letterhead, from fellow podiatrists, physicians, or other health professional
6. Completion of an application
7. Payment of the application fee

Portfolio Requirements

Certification in Lower Extremity Geriatric Medicine will be awarded by way of a portfolio which demonstrates the candidate's experience in geriatric podiatric medicine. A candidate whose eligibility requirements have been approved must submit documentation within 90 days of receipt of approval to demonstrate that **at least 50 points** have been earned, according to the following grid.

Activity	Points Awarded	Maximum points awarded for this activity
CMEs earned in topics relevant to geriatric podiatry (CMEs must be earned within 5 years prior to application submission)	1 point per CME	30
Presentations made at medical meetings/conferences relevant to geriatric podiatry	5 points per 1 hour presentation	10
Academic courses in topics relevant to geriatric podiatry	10 points per course	20
Articles published in recognized podiatry/medical publications on topics relevant to geriatric podiatry	10 points per article	20
Response to three geriatric case studies supplied by ABMSP	5 points per case study	15
Submission of cases, including x-rays and notes, pertinent to patients who were treated with geriatric podiatry issues	5 points per case study	15
Community volunteer activities relevant to geriatric podiatry (speaking at nursing homes, meeting with seniors, etc.)	1 point per volunteer activity	5
Certification by ABMSP or other recognized podiatric board certification	2 points per certification held	No limit

ALL components of the portfolio must be submitted together. If any part of the portfolio requirements are missing, everything will be returned to the candidate and re-submission will be required.

**Submit Portfolio to:
American Board of Multiple Specialties in Podiatry

Appeals on Eligibility

Candidates who have been deemed ineligible to submit a portfolio for this certification may appeal in writing to the American Board of Multiple Specialties in Podiatry Executive Committee. The letter must be accompanied by supporting documentation. The appeal must be received within 10 days after the notice of ineligibility is sent to the candidate. The ABMSP will review the appeal and notify the candidate in writing of its decision within 10 days of receipt of the written appeal.

Portfolio Review

A Portfolio Review Committee, comprised of no less than three and no more than five diplomates, shall be appointed by the ABMSP Board of Directors. The members of the Committee must be currently certified in Lower Extremity Geriatric Medicine by ABMSP. Within 60 days of submission of the portfolio documentation the Portfolio Review Committee shall do one of the following:

1. Ask the candidate for clarifying information on the portfolio submission
2. Return the portfolio submission for additional documentation
3. Award Lower Extremity Geriatric Medicine Certification

Appeals on Certification

In the event a candidate is denied certification, the candidate may appeal in writing to the American Board of Multiple Specialties in Podiatry Executive Committee. The letter must be accompanied by supporting documentation. The appeal must be received within 30 days after the notification of denial of certification. The ABMSP will review the appeal and notify the candidate in writing of its decision within 30 days of receipt of the written appeal.

Non- Discrimination

The American Board of Multiple Specialties in Podiatry does not discriminate against any individual on the basis of race, color, religion, gender, national origin, age, disability or any other characteristic protected by law.

Attainment of Certification and Recertification

Candidates who successfully submit a portfolio and are awarded Lower Extremity Geriatric Medicine Certification must agree to adhere to the Board's Code of Professional Practice. Each certified podiatrist will receive a certificate from ABMSP and will be maintained in the registry of certified podiatrists on the ABMSP website.

Lower Extremity Geriatric Medicine Certification is valid for a period of eight (8) years at which time the podiatrist must submit a completed application for recertification and an abbreviated portfolio, similar but with fewer requirements than the one submitted for the original certification.

Dues

Diplomates of the ABMSP shall pay annual dues in an amount determined from time to time by the Board of Directors. The current annual dues for those holding ONLY the Lower Extremity Geriatric Medicine Certification are \$125. Current diplomates of ABMSP will receive a reduction of \$25 in their annual dues once they are awarded this certification.

Revocation of Certification and Other Discipline

Individuals who fail to meet the requirements set forth in the ABMSP's Code of Professional Practice may have their certification revoked.
